ADDITION DICE GAME

Roll 2 dice. Write the numbers from the dice in the boxes. Find the sum of the two numbers and write it in the circle.

$$\square + \square = \bigcirc$$

$$\square + \square = \bigcirc$$

$$\square + \square = \bigcirc$$

$$\square + \square = \bigcirc$$

$$\square + \square = \bigcirc$$

$$\square + \square = \bigcirc$$

$$\square + \square = \bigcirc$$

$$\square + \square = \bigcirc$$

$$\square + \square = \bigcirc$$

$$\square + \square = \bigcirc$$

$$\square + \square = \bigcirc$$

$$\square + \square = \bigcirc$$

$$\square + \square = \bigcirc$$

$$\square + \square = \bigcirc$$

$$\square + \square = \bigcirc$$

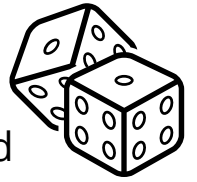

$$\square + \square = \bigcirc$$

$$\square + \square = \bigcirc$$

$$\square + \square = \bigcirc$$

Subtraction Dice Game

Roll 2 dice. Write the bigger number in the first box and the other number in the second box. Then find the different of the two numbers and write it in the circle.

$$\square - \square = \bigcirc$$

$$\square - \square = \bigcirc$$

$$\square - \square = \bigcirc$$

$$\square - \square = \bigcirc$$

$$\square - \square = \bigcirc$$

$$\square - \square = \bigcirc$$

$$\square - \square = \bigcirc$$

$$\square - \square = \bigcirc$$

$$\square - \square = \bigcirc$$

$$\square - \square = \bigcirc$$

$$\square - \square = \bigcirc$$

$$\square - \square = \bigcirc$$

$$\square - \square = \bigcirc$$

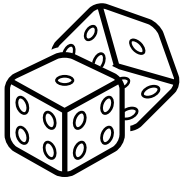

$$\square - \square = \bigcirc$$

$$\square - \square = \bigcirc$$

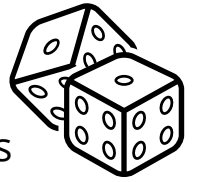

$$\square - \square = \bigcirc$$

$$\square - \square = \bigcirc$$

$$\square - \square = \bigcirc$$

Mixed Dice Game

Roll 2 dice. Right the numbers you rolled in the squares to make the number sentence work. Then find either the sum or difference of the equation you created.

$$\square - \square = \bigcirc$$

$$\square - \square = \bigcirc$$

$$\square + \square = \bigcirc$$

$$\square + \square = \bigcirc$$

$$\square - \square = \bigcirc$$

$$\square + \square = \bigcirc$$

$$\square - \square = \bigcirc$$

$$\square - \square = \bigcirc$$

$$\square + \square = \bigcirc$$

$$\square + \square = \bigcirc$$

$$\square + \square = \bigcirc$$

$$\square - \square = \bigcirc$$

$$\square - \square = \bigcirc$$

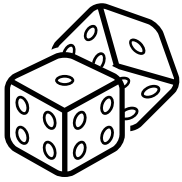

$$\square + \square = \bigcirc$$

$$\square - \square = \bigcirc$$

$$\square - \square = \bigcirc$$

$$\square + \square = \bigcirc$$

$$\square + \square = \bigcirc$$

Multiplication Dice Game

Roll 2 dice. Write the numbers from the dice in the boxes. Multiply the numbers together to find the product and write the product in the circle.

$$\square \times \square = \bigcirc$$

$$\square \times \square = \bigcirc$$

$$\square \times \square = \bigcirc$$

$$\square \times \square = \bigcirc$$

$$\square \times \square = \bigcirc$$

$$\square \times \square = \bigcirc$$

$$\square \times \square = \bigcirc$$

$$\square \times \square = \bigcirc$$

$$\square \times \square = \bigcirc$$

$$\square \times \square = \bigcirc$$

$$\square \times \square = \bigcirc$$

$$\square \times \square = \bigcirc$$

$$\square \times \square = \bigcirc$$

$$\square \times \square = \bigcirc$$

$$\square \times \square = \bigcirc$$

$$\square \times \square = \bigcirc$$

$$\square \times \square = \bigcirc$$

$$\square \times \square = \bigcirc$$

$$\square \times \square = \bigcirc$$

$$\square \times \square = \bigcirc$$

Division Dice Game

Roll 2 dice. Write the bigger number you rolled in the first box and the second number in the second box.

Divide the numbers and write the quotient in the circle.

$$\square \div \square = \bigcirc$$

$$\square \div \square = \bigcirc$$

$$\square \div \square = \bigcirc$$

$$\square \div \square = \bigcirc$$

$$\square \div \square = \bigcirc$$

$$\square \div \square = \bigcirc$$

$$\square \div \square = \bigcirc$$

$$\square \div \square = \bigcirc$$

$$\square \div \square = \bigcirc$$

$$\square \div \square = \bigcirc$$

$$\square \div \square = \bigcirc$$

$$\square \div \square = \bigcirc$$

$$\square \div \square = \bigcirc$$

$$\square \div \square = \bigcirc$$

$$\square \div \square = \bigcirc$$

$$\square \div \square = \bigcirc$$

$$\square \div \square = \bigcirc$$

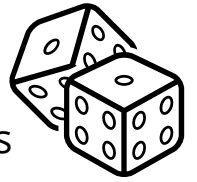

$$\square \div \square = \bigcirc$$

$$\square \div \square = \bigcirc$$

$$\square \div \square = \bigcirc$$

Mixed Dice Game

Roll 2 dice. Right the numbers you rolled in the squares to make the number sentence work. Then find either the product or quotient of the equation you created.

$$\square \times \square = \bigcirc$$

$$\square \times \square = \bigcirc$$

$$\square \div \square = \bigcirc$$

$$\square \times \square = \bigcirc$$

$$\square \div \square = \bigcirc$$

$$\square \div \square = \bigcirc$$

$$\square \times \square = \bigcirc$$

$$\square \times \square = \bigcirc$$

$$\square \div \square = \bigcirc$$

$$\square \times \square = \bigcirc$$

$$\square \div \square = \bigcirc$$

$$\square \div \square = \bigcirc$$

$$\square \times \square = \bigcirc$$

$$\square \times \square = \bigcirc$$

$$\square \div \square = \bigcirc$$

$$\square \div \square = \bigcirc$$

$$\square \times \square = \bigcirc$$

$$\square \times \square = \bigcirc$$

$$\square \times \square = \bigcirc$$

$$\square \div \square = \bigcirc$$
